Book "Total Compensation Administration," written by our friend Mr. and facilitator. Tolo Rimsky

Dear Colleagues!

We report with great satisfaction the book "**Administration of the Total Compensation**" (**Mc. Graw-Hill 2005**) of our friend and mentor Mr. Tolo Rimsky, who facilitated the international certification program in Total Compensation GCP we teach in the country.

The book consists of 21 chapters and more than 530 pages that work perfectly as a tool for consultation, covering all points to qualify for compensation should be handled.

"The points that I am passionate about are the complete description of what constitutes the total compensation and a sentence which reads, high pay is not synonymous with good pay."

Tolo Rimsky, author

*** The book is available at Librería Cuesta, with a price of RD \$ 595. .**
